- Cumulative UCF GPA: 3.618/4.0 Honors Graduate
- Academic Honors: President's Honor Roll Certificate (Spring 2021) Dean's list (Fall 2019, Fall 2020), Burnett Honors College, inducted into Sigma Nursing Honor Society

PROFESSIONAL EXPERIENCE

Halifax Health Medical Center

36 Bed Trauma-Surgical Intensive Care Unit | Staff Registered Nurse

Daytona Beach, FL

August 2021 – Present

- Provides comprehensive care to critically ill trauma and surgical patients requiring advanced ventilator support, tracheostomies, arterial lines, central venous lines, chest tubes, and invasive hemodynamic monitoring in a high-acuity Level II ICU.
- Manages and titrates continuous intravenous infusions, including vasoactive agents, sedatives, analgesics, and antihypertensives while continuously assessing hemodynamic stability, pain, sedation, and response to treatment.
- Monitors and manages patients requiring continuous renal replacement therapy (CRRT) and advanced neuromonitoring, including external ventricular drains (EVDs) and lumbar drains, with frequent assessment of intracranial pressure, cerebrospinal fluid drainage, and neurologic status.
- Frequently precepts newly hired nurses on the management of high acuity trauma and surgical patients, including CRRT, EVD management, vasoactive medication titration, ventilator management, invasive monitoring, and critical care clinical decision making.

CRNA PROFESSIONAL DEVELOPMENT

Halifax Health Medical Center | Daytona Beach, FL

December 2024 – Present | 64 Hours

- Observed the process of anesthesia care, including preoperative assessment, intraoperative management, and postoperative evaluation.
- Gained exposure to anesthesia management during complex cardiovascular and orthopedic procedures, including coronary artery bypass grafting ×3 (CABG ×3), automatic implantable cardioverter-defibrillator (AICD) lead extraction, thoracic endovascular aortic repair (TEVAR), and intramedullary nailing.
- Developed an understanding of the CRNA role through observation and discussions regarding clinical decision-making and patient management.

Florida Association of Nurse Anesthesiology (FANA)

2026 Annual Meeting – Registered Attendee

American Association of Nurse Anesthesiology (AANA)

2026 Annual Congress Attendee

American Association of Critical-Care Nurses (AACN)

Member | 2025 – Present

RESEARCH EXPERIENCE

Undergraduate Honors Thesis

Complementary and Alternative Medicine (CAM) for Individuals with Epilepsy

University of Central Florida | 2021

- Completed an undergraduate honors thesis utilizing a literature review methodology to evaluate current evidence surrounding complementary and alternative medicine (CAM) among individuals with epilepsy, including the ketogenic diet, neurostimulation, physical activity, medical cannabis, and cannabidiol (CBD).
 - Collaborated with faculty members to synthesize research findings and present a virtual poster presentation as part of the Burnett Honors College Undergraduate Thesis program.
-

LEADERSHIP

Intensive Care Unit Preceptor (2,000+ Hours)

Halifax Health Medical Center

2022 – Present

- Provides clinical mentorship, guidance, and education to newly hired nurses, supporting development on critical thinking, clinical decision making, and advanced critical care competencies.

Community Health Director | Student Nurses' Association

2020 – May 2021

- Led community health initiatives by coordinating and organizing local events focused on health promotion, education, and outreach within the local community.
-

COMMUNITY SERVICE

First Aid Band Volunteer | Space Coast High School

October 2023

- Provided first aid assessment and treatment to students during band practices while responding to acute injuries and medical concerns.

Student Nurses' Association Volunteer | University of Central Florida

2020 – May 2021

- Participated in community outreach initiatives focused on health promotion, including the administration of the COVID-19 vaccines through a drive-thru event under facility supervision, nursing home outreach, making handmade clothing for NICU infants, and volunteering at the Daytona International Speedway.
